supply, which contributed to the failure of crops, was due to the neglect of the raiyats to attend to the weed-clearing work. It is therefore prayed that this work also may be done by Government along with annual repairs.

Reply of Government.—In the circumstances stated by the Deputy Commissioner, if a proposal can be formulated by the Revenue Department for payment of the cost of such work by the raiyats and their consent be obtained thereto, an acreage cess may be levied and the weed-clearing done by the Public Works Department.

SUBJECT No. 263.

Increase of Paditara to Sri Lakshmikantaswami temple at Chamrajnagar.

Mr. Shamiengar, Chamrajnagar Municipality.

Summary of discussion.—Of the two Vishnu temples at Chamrajnagar, the Sri Narayanaswami temple receives a large Paditara from the funds of the Sri Chamarajeswaraswami temple, but the present archaks do not discharge their duties regularly. As the ancient Sri Lakshmikantaswami temple has a tasdik of only Rs. 1-7-3 per month, it is prayed that some additional Paditara may be given to it out of the funds available at the credit of the Sri Chamarajeswaraswami temple.

Reply of Government.—Noted.

SUBJECT No. 264.

Supervision of temples and masjids at Bannur by Municipal members.

Mr. Sheshachela Jois, Bannur Municipality.

Summary of discussion.—It is prayed that temples and masjids which are under the Muzrai management in the Bannur Municipality may be placed under the control and management of Municipal members. The supervision of the performance of utsavams and puja and of the disbursement of pay and paditara to these establishments may also be left to the Municipal members of the respective classes.

Reply of Government.—There is no objection to Municipal members being appointed separately as Dharmadarsis to supervise the affairs of temples and masjids.

SUBJECT No. 265.

Honnajammanni Chattram at Mysore and Ganaradhane Chattram at Nanjangud.

Mr. Madappa, Jahgirdar, Mysore Taluk.

Summary of discussion.—The objects with which Honnajammanni Chattram at Mysore and Ganaradhane Chattram at Nanjangud were established by His late Highness Sri Krishnaraja Wadayar, have not been realized. This was being urged on the attention of Government for the past six or seven years. Though the Muzrai Department has issued orders on this subject on 26th March 1906, yet the matter has not been disposed of. As delay means inconvenience to Lingayet travellers to Mysore and Nanjangud, early steps may be taken to set it right.

Reply of Government.—It is not possible to revive feeding in the Ganaradhane Chattram at Nanjangud. The question of opening a Lingayet chattram in Mysore City is under correspondence.
